## **WEBINAR DESCRIPTION:**

This course will focus on fundamental Modern Psychoanalytic consulting and facilitation skills for organizational consultants, trainers, leaders and aspirants in a wide range of settings. During this course in addition to assigned readings, and instructor in-put, participants will develop a proposal and design for a consulting, training, workshop and/or facilitation intervention or event related to the needs of an organization with which they are or aspire to work. This is a course in the application of modern psychoanalytic theory and technique in a variety of organizational roles and settings.

## **WEBINAR OBJECTIVES:**

1. To increase participants' understanding of key modern psychoanalytic consulting, facilitation and leadership development principles and skills.
2. To increase participants' proficiency in applying these tools through the presentation and group consultation of case material from participants' own work and professional setting.
3. To increase awareness of the emotional demands of the consultant and facilitators' role and the self-care and countertransference reflection needed to meet these demands.
4. To help participants' make best use of case-study and action reflection methodology to achieve the above.
5. To help participants' make best use of peer and professional consultation and supervision to achieve the above.
