Jack Payson began studying Modern Psychoanalysis while working at Philadelphia State Hospital and prior to becoming an MA Licensed Psychologist in 1975. Mr. Payson worked at the Philadelphia Consultation Center for many years and was the administrator of PCC's Federal Treatment program with the Federal Courts. Mr. Payson taught Introduction to Psychoanalysis at PSP. Mr. Payson is a NCCAP certified Master Addiction Counselor who has worked in foster care and private practice and has seen a wide range of patient diagnoses and ages from six years old to geriatric. He has provided many hours of supervision to analytic candidates and to individuals seeking licensure in psychology and social work.
