Michelle Engle is a Licensed Professional Counselor and Certified Psychoanalyst. She works with adults, teens, and couples on issues surrounding coping with life challenges, relationship struggles, mental health disorders, and personality disorders. She also provides therapeutic services to individuals in workplace settings dealing with stress, trauma, and anxiety. Prior to becoming a psychotherapist, she worked at Vanguard as a business intelligence analyst. She holds a MS in Pastoral Counseling from Neumann University, and a BA in Organizational Leadership from Eastern University. She completed the Philadelphia School of Psychoanalysis' Certificate in Modern Psychoanalysis in 2024 and is a candidate for the OLDC Certificate.
